Counsel,

I am writing regarding a newly filed federal action.

In the prior petition to compel arbitration, your firm entered a notice of appearance on behalf of AMJ Services. In addition, in Defendants' initial disclosures in the Department of Labor proceeding, Defendants stated that Steven S. Dickert, as Trustee of Basil Management Trust, may be contacted through Fisher Phillips.

Please advise whether your firm represents AMJ Services and/or Steven S. Dickert, in his capacity as Trustee of Basil Management Trust, in the federal action and whether you are authorized to accept service on their behalf.

If your firm does not represent either party or is not authorized to accept service, please advise so that formal service may proceed.

Respectfully

Jorden Hollingsworth
